

**Project:** Unilever Port Sunlight  
**Period:** 2022  
**Location:** Wirral  
**Works:** Removal, Repairs and UVR Wearing Course System

### The Project

**Car Park Coating Ltd** were selected by **Unilever** to Remove and Install a UVR Wearing Course System at **Port Sunlight**.

### The Works

**Car Park Coating Ltd** successfully removed existing waterproofing, completed repairs and installed **600m<sup>2</sup>** of a UVR Wearing Course System.

All works were planned to strict environmental and safety guidelines prior to commencement.

**Car Park Coating Ltd** provided an in house team of installation experts and management to oversee every stage of the installation ensuring the highest quality standards were met at all times.

### Completion

**Car Park Coating Ltd** provided a high standard of workmanship and communication to complete the works on time and to the client's specification and satisfaction.

The long service life and ease of future maintenance of the products used by **Car Park Coating Ltd** will provide a cost effective solution, complete protection and will reduce the whole life carbon footprint.
