

**Project:** Whiston Hospital  
**Period:** 2019  
**Location:** Whiston  
**Works:** Deck Waterproofing and Coloured Wearing Course Including Lining works.

### The Project

**Car Park Coating Ltd** were selected by **Vinci Construction** to Remove and Install a protective waterproofing and Anti-Skid system to the car park at **Whiston Hospital**.

### The Works

**Car Park Coating Ltd** successfully removed existing waterproofing and installed **2,500m<sup>2</sup>** of a Reinforced Waterproofing System. All lining was also completed in a single one stop shop package.

**Car Park Coating Ltd** provided an in house team of installation experts and management to oversee every stage of the installation ensuring the highest quality standards were met at all times.

### Completion

**Car Park Coating Ltd** provided a high standard of workmanship and communication to complete the works on time and to the client's specification and satisfaction.

The long service life and ease of future maintenance of the products used by **Car Park Coating Ltd** will provide a cost effective solution, complete protection and will reduce the car park's whole life carbon footprint.
